

Enrichment Program Descriptions

All About Me (grades K-3) - Create a keepsake book all about you and your family.

Ancient Creations - (grades 2-6) - Create exciting remnants from the ancient times of the Egyptians, Romans, and Greeks.

Beaded Jewelry (grades K-2) and (grades 2-6) - If you admire beaded jewelry, this class is for you! Impress your friends and family with one-of-a-kind homemade jewelry. Create jewelry for yourself, a friend, or family members!

Board Games (grades K-6) - Sorry, Monopoly, Uno, and many more games await the board game lover in you. Join this class and play a variety of already familiar board games and learn new games to challenge your friends.

Book and Cook (grades K-6) - Come read a story and cook a yummy treat based on our story!

Card Making (grades 3-6) - Learn the technique of stamping while making cards for all occasions

Clay Concoctions (grades 2-6) - Bring a clay model to life by molding your own creation using clay, paint, yarn, beads, and more.

Crafty Kids (grades K-3) - Come create seasonal crafts using various mediums.

Crazy Concoctions (grades K - 6) - Come make new creations with us. Students will make mysterious concoctions using various materials.

Friendship Bracelets (grades 2-6) - Join us to learn how to make bracelets, necklaces, and more. Keep what you make, or give it as a special gift!

Fuse Beads (grades K-6) - Increase your fine motor coordination as you use fuse beads to create an original work of art or follow a prepared pattern

Holiday Extravaganza (grades K-6) - Create various art projects for different holidays throughout the year.

Lanyards (grades K-6) - Learn how to make key chains and zipper pulls. Boys and girls alike will enjoy creating unique patterns with pony beads and plastic lace. Keep what you make, or give it as a special gift!

Enrichment Program Descriptions

Lego Magic (grades K-2) and (grades 3-6) - Use legos and blocks to create cars, homes, space stations or anything your mind can imagine.

Music Maker (grades K-3) - Do you enjoy music? How about making your own musical instruments? Come join us in listening and making our own musical instruments.

Painted Crafts (grades 3-6) - Paint and accessorize various ready to paint fun crafts.

Paper Mache Sculpture (grades 2-6) - Explore the basics of sculpture using paper mache, glue, cardboard, and various recycled objects as we create 3D art!

Plaster of Paris (grades K-6) - Show off your creativity by painting and accessorizing various plaster of paris crafts.

Pom-Pom Critters (grades K-6) - Come join us in creating cool pom pom creations that you can decorate your room with or give as a special gift.

Puzzle Mania (grades K - 6) - Exercise your brain with puzzles, strategy games, and mind joggers that will stimulate your mind while you're having fun.

Scrapbooking (grades K-6) - Come organize your photos and learn the art or scrap booking. Students will need to bring a minimum of 5 personal photos to this class.

Speed Stacks (grades K-6) - How fast can you stack? In this class you will learn the three essential stacking patterns used in competitive speed stacking. A variety of speed stacking activities will be introduced.

Sun Catchers (grades K-6) - Create beautiful sun catchers to brighten the light as it comes into your home.

Sudoku (grades 2-6) - Learn the basis of Sudoku and challenge yourself to mind building exercises.

What a Production (grades 3-6) - Lights, camera, action! Participants will create a product and sell it by creating their own original T.V. commercial.

Enrichment Program Descriptions

All classes must have an minimum enrollment of 8 students per class
