Vandalism at Pepe Field Playground

The Town of Boonton has invested a significant amount of tax dollars to renovate the Pepe Field basketball court and playground. Unfortunately, even before the project's completion, vandalism has been observed at the park. Along with the playground renovations, a surveillance system is being installed and once complete, will monitor the area continuously. In addition to the surveillance system, the Town is asking for assistance from the public at this time. If you see someone committing an act of vandalism, or have any information regarding recent vandalism, please contact the Boonton Police Department at 973-402-9371. Any person found destroying property will be prosecuted. Thank you for your cooperation, and we look forward to announcing the completion of the playground in the near future.
